To Whom It May Concern,

As part of the degree requirements for the English-Communication Arts major at St. Mary's University, Ms. Lynette Montalvo is required to complete an internship. Ms. Montalvo is completing her sophomore year with a 3.3 G.P.A. and is now prepared to take on an internship. She is particularly interested in writing for radio and television broadcasting, and is eager to learn more about communications in these areas.

Sincerely,

Mary Lynne G. Hill, Ph.D.
